Roof Model

A durable plastic, portable 3-dimensional model home with removable decking, leak barrier and shingle layers. Educate consumers and close more GAF Lifetime Roofing System sales by demonstrating the roofing process and its key components.

Includes:

- Removable Deck-Armor™, Tiger Paw™, Timberline™, and Lifetime Designer Shingle layers
- Convenient model carrying case.

New Size for 2013:

- The new size is 16.5" L x 7.25 W x 5.5" H
- This size represents a 40% reduction in size from the previous version – for reference the previous model is approximately 28" L x 12" W x 10" H
